Please accept (as suggested by Sue Hanlon in her reply to my e-mail) my comments below, as a submission in this confrontation with the self-created "Independent" Member for the Electorate of Cairns, Rob Pyne. His 2 nd Abortion Bill is as evil as his first, and he needs to hear this spelled out to him loudly, and boldly-----with as much SHAME attached as possible.  
Yours faithfully, Bob Biggs.

Dear Mark,

Thank you for your obvious deep concerns re-this and other truly evil Bills and attitudes developing in our Nation. I have already responded to Wendy's latest Alarm Call, and signed the current petition. It astonishes me to hear the recent media outcry over the "putting down" of some hundreds----if not thousands----of Greyhound dogs, **and NOT EVER A MENTION OF THE MILLIONS OF UTTERLY HELPLESS BABIES, WORLDWIDE, WHOSE TINY BODIES ARE RIPPED APART AS THEY ARE SLAUGHTERED IN THEIR MOTHERS' WOMBS.** We are discussing HUMAN BABIES here, aren't we-----not dogs???

Surely, it would be fairly easy to produce for Rob Pyne, a USB Flash-Drive containing the gruesome, graphic details, easily accessed on the YouTube Channel, of the methods and results of Abortion? I know these videos are truly disturbing to watch, and I personally have experienced some sleepless hours

each time I have accessed these. But, PLEASE----can't someone make a public media presentation of such a video record to Pyne and his labor supporters?? ---- Does **SHAME** really mean so little in our modern society today ??? My age is now almost 83 yrs, but I have to say that the wonderful Australian Nation into which we were born, were nurtured and educated, and in which we grew up so securely and proudly, **tragically has disappeared forever.**

My own political experience ran to being a full-time employee of the National Party (State Director of the National Party Trust) back in the heady days of the sacking of Whitlam----and incidentally, I was a personal friend and colleague of John Goleby who so strongly represented the residents of Cleveland and surrounds prior to his untimely accidental death. Sir Joh and Sir Robert Sparkes steered the National Party of that day through some really difficult times. What both of those great leaders would have to say about the current weak excuse for Government in George St today, I hate to think.

Please do keep me on your e-mail list, Yours faithfully-----Bob Biggs-----

Dear Petitioner,

I am writing to you as a Member of the Queensland Parliament about **a new threat** that aims **to weaken Queensland's Abortion laws.**

Previously you signed the **Abortion epetition** that has made it difficult for the Pyne Abortion Law Reforms to pass the Parliament.

But, unfortunately, before this bad Abortion Bill could be sunk, **a 2<sup>nd</sup> Pyne Abortion Bill** has been launched.

To try to stop this 2<sup>nd</sup> bad Bill, **Wendy Francis of the Australian Christian Lobby** and myself have put up a **second Petition** in the Queensland Parliament.

If everyone who signed the 1<sup>st</sup> Petition signs the 2<sup>nd</sup> Petition we would get a big response that will help **stop both bad Abortion Bills.**

So I am asking you to sign this petition today and also to consider other actions that will be helpful.

1. **Sign** the new petition now – <http://www.parliament.qld.gov.au/work-of-assembly/petitions/e-petition?PetNum=2633> and share the petition link on your Facebook/Twitter.
2. **Email** the Health Committee – Submissions **close 6 October** – send to [abortion.bill@parliament.qld.gov.au](mailto:abortion.bill@parliament.qld.gov.au). A single paragraph email or letter stating clearly that you ask the Committee to reject/oppose the Bill is all that is needed.

3. **Email** your State MP – ask them to oppose both Abortion Bills. Find your local MP here: [Current Members](#)
4. **Work with me** - in the Abortion Battle & other Social issues.
