Please could I add my name to those you have already received of people who are objecting to the passage of an abortion law in Queensland.

While I would like to list the many reasons for my objection, I am sure that you have heard all the arguments already, and to repeat them here would not change your mind one way or the other.

All I am interested in doing is to let you know that there is a substantial number of people who are strongly against this bill, and one more name simply adds volume to the objection.

Thank you for adding me to that number.

Yours faithfully

Mrs. Cynthia Barker
