Subject: Please uphold the current laws on abortion in Queensland.
Date: Tuesday, 4 October 2016 11:45:49 PM

October 4, 2016

Dear committee members,

Please oppose Rob Pyne's bills to legalise abortion in the state of Queensland. One cannot decriminalise abortion, without saying it is acceptable to commit murder.

I agree with Rob Pyne that the world is changing, but I know it is not for the better, when we don't hold human life as sacred and precious.

Thank you for your time.

Mrs. Linda Long,
