Subject: Comments on the Health Amendment Bill 2016
Date: Wednesday, 5 October 2016 10:15:37 AM

To Whom it concerns, please respectfully submit our strongest objections to the passing of this amendment. It defies reason, that as a society, every available resource is employed to bring a wanted child to birth, while an unwanted child deserves abortion. All this, while there are long lists of those who wish to adopt. Thank you very much, Judy & Peter Dore
