Dear Health Committee,

I would like to express my opposition to the forthcoming abortion bill to terminate the lives of full term unborn babies. I request that you also will oppose this bill and reject it outright. I believe that any member of parliament who votes in favour of this proposed piece of disgraceful legislation is so morally bankrupt he/she should not hold any position in public office.

Just because there are those who are vocal and demanding does not make what is outlined in the abortion bill/s morally correct. Human life should remain to be held in high regard in our great nation.

Also, the attempt to gag free speech by way of protest in front of any clinic is undemocratic and un-Australian.

My sincere thanks for continuing to serve our community and our wonderful state of Queensland.

Kind regards,

Cherise Durham
