I am writing to you to let you know that I do not support the current bill put forward by MR Pyne which allows for abortion up to 40weeks of pregnancy. For that matter, I don't agree abortion is really helpful for our society at any stage of the pregnancy, much less at 40weeks, when a pregnancy is perfectly viable and a baby deserves a chance at life. This bill does in no way protect the baby or the female as there is a lot of evidence suggesting that women suffer depression and all sorts of mental disorders due to having an abortion in earlier years. Please, I ask that you will not support this bill.

yours sincerely  
Danielle Kuskopf
