Dear Sir/ Madam,

I wish to express my opposition to the Abortion Law Reform (Woman's Right to Choose) Amendment Bill 2016 or any other Abortion Amendment Bill. No matter how large or well advanced the foetus is, that life inside a woman's womb is a human being and sacred with a God-given right and call to life.

This bill will only contribute to the further degradation of family values and the family as such, resulting in all kinds of social problems, of which we have only seen the beginning if this bill and other similar bills that undermine the family based structure of society.

I believe I'm not alone in my opposition to the bill, and I request that public opinion is heeded and the bill rejected.

Kind regards
