Dear Madam/Sir,

I am writing in regard to this unreasonable bill that Mr Pyne is trying to again push on the women of Queensland which is inhuman to say the least. It is absolutely unacceptable that this bill allows for abortion until birth for viable babies and clearly does not protect our women and babies of Queensland. This is clearly not an option for Queensland women and babies and I totally oppose and reject what Mr Pyne is trying to do and I would ask that the bill be rejected by the parliamentary committee and Mr Pyne be stopped from this inhuman treatment of women and babies.

Yours sincerely

Belinda and Jesse-John Jabore.
