RE: Health (Abortion Law Reform) Amendment Bill 2016

To the members of the committee,
Please do not recommend the changes to Qld abortion legislation suggested by MP Rob Pyne, the vast majority of Queenslanders do not want to change the legislation. I am sure you are aware of the information compiled by 'Abortion rethink' <http://www.abortionrethink.org/>

Queensland women, children and families deserve better than abortion.

Regards,
Mr Denis Todd
