Dear Sir or Madame,

I am writing to state my opposition to the above mentioned Abortion Law reform Bill, introduced by Mr Rob Pyne.

It allows for abortion up to birth for unborn babies, thereby not protecting the rights of all citizens of those living in Queensland. So much money, time and energy is spent on trying to save those born prematurely. What makes one baby more important/worthwhile than another? An individual's choice?

This bill also does not protect Queensland mothers, who may result in "buyer's remorse" from their choices, as well as, in the case of my sister, medical complications down the line.

Thank you for your time, and your service,

Sincerely,  
Linda Selman
