Hello

Safe and legal abortions save lives. It's time to decriminalise abortion in Queensland. I support Rob Pyne's Bills to make abortion legal and accessible for all.

I have spent the last few months acting as the Public Relations Coordinator for Young Queenslanders for the Right to Choose. I was the MC at our sell-out panel discussion in July where lawyers, academics, medical professionals and a counsellor offered their support for the bills with evidential reasoning rather than religious-based opinion.

Everyone is entitled to their opinion but they are not entitled to a woman's body. Her uterus. Her choice.

Please consider the public's health and access for women in remote areas when considering the decriminalisation of abortion.

Thank you for reading this submission.

Regards
Michael Bidwell
