Dear committee,,

I understand that Cairns MP, Rob Pyne, has put forward a second abortion bill in spite of the clear rejection by Queenslanders, of his first Bill. I wish to register my deep concern that this second bill legalises the killing of viable healthy babies up until full term, and is abhorrent. It not only signals the downward moral spiral of our society if it is willing to murder our most vulnerable, but it also does not grapple with the serious psychological harm that many women encounter, knowing they have denied the potential of that little life, and have killed their own flesh and blood. I respectfully urge you to oppose this Bill.

Yours sincerely,

Olive Woodford.
