Dear Rob Pyne,

We are living in society where morals are going out the window. As the great parliamentarian Edmund Burke said, "The only thing necessary for the triumph of **evil** is for **good men to do nothing**." We need to stand up and say no to this bill. The consequence for not standing up against it will be vast. Someone needs to ask, what morals do we want Australia to have 50 years from now, then you need to work out what steps are needed to be taken to get these morals.

Australia was built on Christian morals and for many decades, we are prospered by them. I believe with many others that abortion is the murder of a unborn child. When a human hearts stops beating, they are pronounced dead. So why are you not pronounced alive when it starts?

Your sincerely
Mel Brooks
