SUBMISSION TO THE QUEENSLAND PARLIAMENT HEALTH COMMITTEE:

I am strongly opposed to the second Abortion Law Reform Bill recently proposed by MP Rob Pyne.

The wide-ranging ethical, medical, and legal criticisms and arguments raised against Mr Pyne's first and second Bills, both by ordinary concerned citizens and by highly qualified specialists from all relevant fields, have my full support.

For the good of the people of our state I ask the Queensland Parliament Health Committee to reject this second proposed Abortion Law Reform Bill outright.

Yours sincerely,

Fiona Walsh
