To Whom it May Concern,

This is to state that I am most definitely opposed to the Proposed Bill to change the Act relating to Abortion.

In my mind this Bill completely ignores the sanctity of human life, which begins at conception. There is no need to kill a viable unborn baby even if the mother does not want it. I think there should be an absolute ban on all late-term abortions. Statistics have already shown that 85% of all Queenslanders support such a ban. Please ensure that this Bill is discarded.

Thank you for considering my views,
