To whom it may concern,

I'm so sorry this submission is late, I was ill on Thursday and was not able to get it to you on time.

It's Not 1899; Abortion Should Not Be A Crime!

I support the decriminalisation of abortion in Queensland, and the repeal of sections 224, 225 and 226 from our 1899 Criminal Code.

I believe that the proposed reforms laid out in this new bill will address the Committee's concerns with a straight repeal of our Criminal Code statutes.

To that end, I support the *Health (Abortion Law Reform) Amendment Bill*, in conjunction with the *Abortion Law Reform (Woman's Right to Choose) Amendment Bill*.

In addition, I urge the Committee to recommend that both bills are debated and voted on together as a package on the floor of parliament, to reflect the intent of the two pieces of legislation.

Yours sincerely

Clare Heath
