

Health (Abortion Law Reform)
Amendment Bill 2016

Submission No. 1264
Received 9 Oct 2016

From:
To: [Abortion Bill](#)
Cc: [Andrew Cameron](#)
Subject: Objections to the 2nd abortion bill
Date: Sunday, 9 October 2016 10:09:49 PM

Please note my opposition to this bill.

Abortions are easy to obtain in Qld at the current time.

Further changes increases the risks of unintended consequences such as gender selective terminations and termination on similar grounds, prohibition of which is essentially impossible to enforce with the proposed new laws.

The public is opposed to later term abortions of viable babies.

Rapid and possibly ill informed reform in this area will inevitably have unforeseen consequences.

Please oppose this bill if it is introduced.

Regards

Andrew Cameron
