The following statement is submitted on behalf of the Directors of Physiotherapy Services Queensland: <http://qhps.health.qld.gov.au/physiotherapy/html/dopsq/dopsq-home.htm>

“The Directors of Physiotherapy Services Queensland strongly support the Health Legislation (Waiting List Integrity) Amendment Bill 2015. In particular, transparent collection of data by the Health Ombudsman on the time outpatients of Hospital and Health Services wait for initial consultation with specialist health practitioners, including physiotherapy is welcomed.”
