Subject: Objection to the proposed Mental Health Bill

THE NEW QUEENSLAND MENTAL HEALTH DRAFT BILLS WILL ALLOW FOR CHILDREN OF ANY AGE TO CONSENT TO ELECTROSHOCK & PSYCHOSURGERY WITHOUT PARENTAL CONSENT

As a citizen of Queensland, I wish to object to the proposed Qld Mental Health Bill.

I object to the use of electro-shock on anyone but especially small, defenseless children. I will vote 'no' on all forms of this brutal ministration. There are no facts to support the use of this as a treatment.

I object to the use of psycho-surgery as, again, there are no facts to support the use of this brutal torture as a 'treatment.'

There can be no form of involuntary treatment as the treatment proposed is violent and damaging.
