DEAR MEMBERS OF THE QUEENSLAND PARLIAMENT,

I was Involuntarily Admitted to both of [REDACTED] Hospitals [REDACTED] [REDACTED] in my state, NSW, on two occasions in 2010.

I ended up taking both hospitals, the (NSW) Police and 15 Psychiatrists, Psych. Regs. and Authorised Medical Officers to court suing for False Arrest, False Imprisonment, Assault and Battery.

I would prefer to be treated as a **Common Criminal** because I would be released the next day when the matter was brought before a court and those involved in the illegalities against me would look silly in court when they could produce NO EVIDENCE of any criminality conducted by myself. I don't consider psychiatry is a Mental Health Profession - I consider it as a device that the police use to have someone incarcerated (Involuntarily Admitted) with a very delayed Judicial Review*. I allege that those involved in the psychiatry field comply with the wishes of the police.

When the matter was referred to the (NSW) Health Care Complaints Commission they somehow believe that a peer-psychiatrist's view and Internal Medical Advice overturns a magistrate's decision. I tell people that we LIVE UNDER THE **CALIPHATE OF PSYCHIATRY**.

Get rid of PSYCHIATRY - bring back COMMON-SENSE

- * I was incarcerated both times before a long weekend

TIMELINE

1/8/2013

about mid-March to about mid-June 2010 for [REDACTED] (≈3 months)

MAJOR INCIDENT SUMMARY FOR INTEREST PERIOD FROM THE
 [REDACTED] HOSPITAL, [REDACTED] HOSPITAL, [REDACTED] POLICE
 AND [REDACTED] COMMUNITY MENTAL HEALTH TEAM ([REDACTED]*)

KEY

* [REDACTED] Community Mental Health Team ([REDACTED]) is now called [REDACTED]

** Although this Examination Order was provided to the [REDACTED] on the 25/5/2010; it's execution was not attempted until the 11/6/2010 – the day before the Queen's Birthday long weekend. The highly unusual thing is that I presented myself to the Chamber Magistrate with witnesses on 31/5/2010 (or thereabouts) at a scheduled interview asking how to protect myself from the [REDACTED]*, as I regarded their interest in me as unwarranted and unnecessary, and [REDACTED] did not attempt to have the police apprehend me and ensure that I was "examined" by a [REDACTED]* psychiatrist.

 periods of **Involuntary Admission** 2/4/2010 to 22/4/2010 - 1st period (≈3 weeks) 11/6/2010 to 17/6/2010 - 2nd period (≈1 week)
