Subject: FW: Public Health (Exclusion of Unvaccinated Children from Child Care) Amendment Bill 2013

Dear Mr Shuttleworth,

I am writing to you regarding the **Public Health (Exclusion of Unvaccinated Children from Child Care) Amendment Bill 2013**

introduced by Mrs Jo Ann Miller MP, Member for Bundamba on the 23rd May 2013.

I find this bill extremely disturbing, the Government should not have the right to tell parents which medical procedures must be performed on their children. Also, there is no mention of conscientious objections or religious exemptions in the bill. As vaccination is not compulsory, conscientious objections/religious exemptions/medical exemptions should all be valid.

As my state member, I trust you will represent my views in this matter.

Regards,
