Subject: Health and Community Services Committee Feedback
Date: Thursday, 18 July 2013 12:08:25 PM

To whom it may concern,

I wish to express my personal concerns with what I feel is a lack of standards in the current approval of billboard and outdoor media advertising.

This content should be G rated, as it viewable by all ages at any time of day, unlike TV commercials with certain time slots.

The policies that surround this committee or individuals involved need to be reviewed and scrutinised.

Regards

Joel Delaney
