Subject: Outdoor Advertising Inquiry

2nd submission. Inadvertently omitted full address details last time. Sorry!

To Whom It May Concern,

We have been following the campaign to have outdoor advertising made suitable for children's viewing. This has long been overdue.

We are pleased that this inquiry is now in progress & strongly urge you to see that all outdoor advertising G rated.

There is enough filth, & innuendo in our films & on our TV screens without it also being on billboards which are viewed by so many children as well as adults.

Please consider our views in this matter.

Sincerely,

Ed & Ann Pitt.

Albany Creek, Qld. 4035.
