Subject: Outdoor Advertising Inquiry
Date: Saturday, 22 June 2013 10:45:12 PM

I write to ask that the government please introduce legislation which will ensure that all outdoor advertising is 'G rated'.

Live so many people I talk to, I believe that the hyper sexualisation of our outdoor spaces is having a lasting and detrimental impact upon not only our children, but the whole of our society in general.

Such legislation should include significant fines for the advertisers and the billboard companies who host these advertisements.

Kind regards,

Peter Francis
