Dear Sir/Madam

I find it amazing that anyone would support outdoor advertising with a sexual connotation. The latest example is an advertisement for a strip club near the Enoggera Army Barracks. Our children, our families, all of us need all the help we can get to avoid the problems caused by sex outside marriage.

Our children can be shielded from pornography and semi-porn in newsagencies, tv and the internet to a large degree, but it is difficult to keep their eyes off an outdoor advertisement if we don't know it is just around the corner.
