The Research Director,
Health and Community Services,
BRISBANE

Dear Sir,

Thank you for the opportunity to address this matter with our Government.
My wife and I, amongst friends we have spoken with, seriously feel that this should not be part of the Queensland landscape. We, as a State, are trying hard to rid ourselves of unsavoury influences on our children, society and visitors. This is one of them. Please do not allow it.

Thank you,
Alf & Deirdre Mills.
