Subject: Sexually explicit outdoor advertising
Date: Monday, 24 June 2013 3:57:04 PM

I would like to add my objection to sexually explicit outdoor advertising.

It objectifies people, teaches children that sex is valued more than character, and can lead to discussions which children are too young to comprehend.

Since outdoor space cannot be censored, I believe it should be G rated, and more explicit advertising limited to areas that can be controlled.
