All Newborns Deserve 'Best-Practice' Medical Care. Abortion has been legal in Queensland from conception to full-term since the Termination of Pregnancy Act 2018 came into effect on December 3rd, 2018. However, unlike similar laws in South Australia and New South Wales, the Queensland Termination of Pregnancy Act is silent on what happens when a child is born alive as a result of a termination of pregnancy procedure. I totally support Robbie Katter's Termination of Pregnancy (Live Births) Amendment Bill 2024.
