### Submitter Comments:

I strongly believe that all humans, infants, embryos at conception to birth are valuable and precious. They deserve to be treated with dignity, respect and love regardless of gender or race. God created male and female as equals and gave mankind guidelines on how we are to behave and treat one another. The purpose of His instruction is to preserve humanity, providing order and guidelines for governing society. In Psalm 139 :13 states For you formed my inward parts; you knitted me together in my mother's womb. I praise you for I am fearfully and wonderfully made. So even at conception God knows us and recognises a human life. Aborting an embryo is murder, and God warns us of His wrath of taking a human life. Whether one chooses to believe in God or not is irrelevant because it is the reality that God of the Bible exists and will come back to judge the world. I stand against the slaughter of humans from conception onwards! We are in a battle for souls - souls of children and souls of all humans. If the government does nothing to stop this senseless killing, then the blood will be on their hands. Our nation will be judged by a Holy God, because justice must prevail. I stand against any mistreatment of aborted babies that go on to live!. The welfare and wellbeing are IMPORTANT. They do not have a voice to stand up for themselves, and we are to protect the vulnerable. Please do not be swayed by lawlessness of our society and the insane deconstruction of our moral standards and values. The Government is formed to promote order and moral laws that God has ordained for our wellbeing. Please govern accordingly. Thank you for listening Jacqueline Clark
