Hello, I hope this email finds you well. I would like to show my support for the Termination of Pregnancy (Live Births) Amendment Bill 2024. I support the bill's aim to clarify that a health practitioner has the same duty to provide medical care and treatment to a baby born from a failed abortion as they do to any human being. To leave a baby to suffer and die without giving medical care is an affront to the value of human life and, quite frankly, a horrific display of cruelty. Please support this bill. Thank you, Trish Koutrodimos
