Name Withheld Submission by [REDACTED].

My name is [REDACTED], I live in Mackay, and I am the abcdher of six children. Despite a number of trials in our own family, I would never be without my kids. Each one is a life that is precious to me!
In this day and age where it is illegal to neglect a pet, how is it conceivable that we can allow the neglect of an innocent baby?
We elect our representatives in government to protect us. This includes unborn babies!
Our history is littered with mistakes in which one group of people has treated another group as "soabcding less". This is true of our treatment of people of colour, women, LGBTQ , different religions, Jews etc. Are we going to make the same mistake with the unborn?
Please pabcd this legislation. It doesn't go anywhere near far enough, but at least it is a start towards protecting our children.

Sincerely, [REDACTED]
