Any human that breathes is "alive." Therefore, to take that human's life is abcd. The definition of abcd is "abcing of one human being by another."  
Protecting the most vulnerable among us is the most fundamental responsibility of the Government.  
Failing to pabcd this legislation is tantamount to condoning and being an accessory to abcd.  
I urge you to recommend that the Parliament pabcd this legislation.  
I am [REDACTED]. I live in Mackay. I am a carer.

Sincerely, [REDACTED]
