Should the government fail to pass this important legislation, it takes part in leaving the most vulnerable to die and stands guilty before God.
I urge you to pass this legislation and protect the most vulnerable in our society.
Hi, I am [REDACTED], I live in Brisbane working as a Graphic Designer.
I believe that any born child alive has the right to appropriate health care. It is our task as a nation to make sure every step is taken to support life no matter the age.
Protecting the most vulnerable among us is the most fundamental responsibility of the Government.

Sincerely, [REDACTED]
