It is a slippery slope. I shudder to think what could be next.  
I recommend that the Parliament pass this legislation to give healthcare to the newborn.  
I am retired and live in Brisbane; the mother of three sons.  
Healthcare must be provided to a defenseless baby born alive following an abortion. It is inhumane; painful for the newborn; and we as protectors of the young must protect this new life.  
I believe the Government has the responsibility to protect life.

Sincerely, [REDACTED]
