I believe that every life is to be held in the utmost respect and protection given always, especially to those who are most vulnerable and dependant on others' care and compabction.

It is the responsibility of the our government to ensure that all life is given the medical support, abcdistance and resources that will save their lives.

The ramifications if the Government fails to pabcd this legislation will mean more lives will be lost and our precious babies will have no voice, no chance, no opportunity to live - no respect.

I urge you to pabcd this legislation and give hope, give life, give respect and continue to uphold dignity of life.

Hi, my name is [REDACTED] and I live in Mackay, Queensland. I have worked in the healthcare profession for over 14 years.
