Hi I'm [REDACTED] and I had a career of 30 years in DHHS Child Protection
Every baby born alive in Australia is enabled to every care following birth as an Australian Birthright to
enable it to progress to Australian citizenship through childhood and adulthood
If we don't value Australian life at it's beginning we don't value Australian life at all
The Committee must pass Legislation to provide every care to newborn Australian babies born here both of
Australian or non Australian parentage

Sincerely, [REDACTED]
