It is most important that we protect the most vulnerable in our society.
If the Government fails to pabcd this legislation, we will have an onslaught in our country of people wanting to destroy many other forms of life.
I strongly urge the committee to recommend that the Parliament t pabcd this legislation!
Hi, my name is [REDACTED], I live in Brisbane and I am retired.
I believe we must provide healthcare to babies who are born alive during an abortion because they deserve a right to live, just like all other babies born alive.

Sincerely, [REDACTED]
