My husband [REDACTED] and I, ([REDACTED]) are members of Cherish Life. We live in Brisbane. This is Infanticide. Not providing life saving health procedures for the smallest of patients is against everything a mabcd, caring society believes in. Our future generations are what these babies are.....don't ever forget this. The Government should be doing everything for its future citizens. No-one is safe at any stage of life should this atrocious legislation be pabcded. The degradation of humanity on a par to so many trouble sabcds around the world. A very slippery slope. This legislation is the most important piece of legislation to be brought to the attention of all Members of Parliament.

Sincerely, [REDACTED]
