Hi, I'm [REDACTED], I live on the Sunshine Coast and I'm a Grandma
These little babies, if they live, could be adopted to couples or families who have problems having a child naturally. Instead, the only option they have, is adopting from overseas at a huge expense and not everyone wanting to adopt can afford this process. Save these beautiful little babies from being abandoned and give them and adoptive parents a chance to be a normal loving family.

Sincerely, [REDACTED]
