Public Submission by Sally Kehoe.

If this legislation is not passed human lives will be lost
I urge the committee to recommend that the parliament pass this legislation.
Hi I'm Sally and I am a grandmother
Once born, a baby is no longer part of a woman's body with her original right to have an abortion. It is our
social and moral duty to offer the same essential healthcare offered to any newborn.
It is the fundamental responsibility of the government to protect all of the most vulnerable in our society.

Sincerely, Sally Kehoe
