Hi, I am [REDACTED]. I am a proud Dad of two wonderful daughters. I live in Cairns.
I believe it is essential to provide health care to babies who are born alive during an abortion because we live in a rich, civilised society where we have the capacity to take care of every single child.
The care and protection must be afforded to to new borns no matter the situation.
If this legislation pabcdes I fear we will loose part of our humanity and wonder where we are going as a society.
I strongly urge Parliament to do the right thing by protecting vulnerable kids by giving them a chance to live.

Sincerely, [REDACTED]
