Hi I am [REDACTED], [REDACTED] and am a wife, mother and teacher.
I am horrified at the statistics of babies born alive after an abortion and that they are not given health care. A basic human right. The most vulnerable in our society.
It is your responsibility to fight for these little Queenslanders. There are so many who would adopt unwanted babies.
This is a grave and dire situation as a society and we must do better. I hold you all responsible as our representatives please support this bill.
This is sound legislation and I am forever grateful to the Kattogat party for putting their neck out on this issue.

Sincerely, [REDACTED]
