It is my understanding that adequate care of these 'equally human' babies may not occur at all if this legislation is not passed.

I urge the committee to recommend that the Parliament pass this legislation.

Hello, I am [REDACTED] and live in Collingwood Park Qld.

I believe babies born alive in relation to an abortion are equally 'as human' as other babies regardless of the reason for these circumstances occurring.

Protection of vulnerable 'fully human' babies must surely be the role of Government.

Sincerely, [REDACTED]
