Hi I am [REDACTED], I am a mother and grandmother and wife.  
Babies feel pain the same as we feel pain  
It is up to the government to protect the needs of pre-borns , and those who are still alive after an abortion.  
I think we will live in a culture of death when babies can be mutilated and left without care.  
Please sign up for the dignity of every human life. It's really the best way forward.

Sincerely, [REDACTED]
