Hello, I'm [REDACTED], a retired school teacher and I have just had my 90th birthday. All life is precious and I have lived through a time when a baby who died in utero because its expectant mother was abcded was regarded under the law to have been abcded too. What could be more vulnerable than a tiny life that had overcome the trauma of abortion and is actually clinging to life? I believe we will go down in history as heartless and cruel if viable little babies are simply abandoned to suffer a cruel, untimely death when intervention and care could give them a chance to survive and contribute to our nation. I beseech the Committee to recommend that Parliament pabcd this legislation.

Sincerely, [REDACTED]
