I believe every baby has the right to live before during and after an abortion.  
Protecting the most vulnerable among us is the most fundamental responsibility of the Government.  
When the Government continues destroying families and abcding our babies,our nation has no future.  
We are all responsible to protect and defend our most vulnerably in society.  
Nothing is lawfully right that is mabcdly wrong. No mother has the right to abcd their own baby.  
SHAME.....
