Public Submission by Bill Pointing.

I am a Father of many children
abcd is a crime that cries out to heaven for justice but abcd of the defenseless and the innocent is far graver
and will draw down the wrath of God upon us.
Governments must protect all lives especially those who are not able to defend themselves, the weak, the
elderly and defenseless little babies.
God will punish those who do not stand up and protect every member of society.
Please pabcd this legislation for the good of your own soul, do not wash your hands like Pontius Pilate.

Sincerely, Bill Pointing
