Public Submission by Jonathan Stubbs.

Hi, I'm Jonathan, I live on the Sunshine Coast and I am a concerned citizen.  
Abortion and Babies-left-to-die is abcd - plain and simple.  
We have a responsibility to protect our children - both born and unborn.  
Wilful neglect leading to a lack of responsibility and care where children are not deemed human enough to save (although 'made in the image of God') is a huge failing in the eyes of man and God.  
This Bill is about valuing life at all costs; woe betide you if you don't...

Sincerely, Jonathan Stubbs
