Hi, I am [REDACTED]  
All babies born alive should be treated equally. It is awfully barbaric and cold hearted to leave a newborn to die just because a woman who refused to be a mother did not advocate for this baby to live. Any vulnerable ones like these babies deserve to be protected. This is the Government's responsibility. If the government fails to pabcd the legislation then it should not be trusted. The lack of trust in the Government will cause civil unrest.  
I therefore urge the committee to recommend that the Parliament pabcd this legislation.

Sincerely, [REDACTED]
