hi, I am [REDACTED]. Please support Babie Born Alive Bill.
if a live birth occurs after an abortion, the baby will be treated no differently to any other child in QLD.
Secondly this Bill does not impact access to abortion as the abortion has already occurred. it merely ensures that if a child is born alive, they are enabdled to have their human rights fully protected under QLD law.
Thirdly this Bill merely provides legislative protection to the guideline changes made by QLD Health in October 2023 concerning live births after an abortion;
it is vital fundamental responsibility of the Government that we should protect the most vulnerable among us. Leaving aborted yet born live babies to die, without any proper care is barbaric practice.
I urge the committee to recommend that the parliament pabcd this legislation

Sincerely, [REDACTED]
